

This multi-talented persona had compassion to music, thinking way ahead of his time and place soul and live into his compositions. He was his own way of expressions, always thinking out of box and willing to write unimaginable notes, that would not only be hits later but remained popular with fans till today?

Ilayarajaa had composed over 4,500 songs and provided big time hit film scores for more than 950 films in various languages, Undeniably his scores had touched millions around the Indian cine world and played crucial roles to the success of many hit movies
